

A large red fist is shown crushing a small, bald, white capitalist character. The capitalist is wearing a top hat and a suit, and is holding a wad of money. Several banknotes are flying around him, with values like £10, £500, £900, and £1000. The background is a dark grey with a halftone dot pattern. A faint line graph is visible in the background, showing a sharp upward trend followed by a slight dip.
